Definitions Of Benefits:

E Pages Directory -

Our version of the yellow pages, this e-page directory will be uploaded in our directory and accessible on all in store touch screens and our web-site. Text copy only - company name, product description, phone, address. 3 lines max

Power Point Slide Presentations-

3, 5, 7 Second Transition - LED TV screens are located throughout GSource Center for customers to browse and familiarize themselves with our vendors and product offerings. This feature creates an ongoing opportunity to market your product continually.

GSource Press Release -

Exposure is everything! This press release will welcome you as a new partner to the GSource Center. It will give a brief overview and description of your company or product. this release will be sent to our national database reaching over 1 million people nationwide.

GSource Center Event Hosting-

Events hosted at The GSource Center BUILD MOMENTUM - this networking opportunity is a great way to promote your company. Co-marketed by GSource this event will allow you to hold a discussion group, seminar or education forum of your choice to build awareness and exposure.

Local & National Exhibiting At GEC Co Hosted Expos & Conferences-

10%-15% off on any co-sponsored expos nationwide. GSource has many affiliations and co-hosts numerous expos throughout the year promoting eco-friendly products and green tech companies. We welcome and encourage your participation.

Event Sponsorship Designation –

GSource will be holding many events, fundraisers, seminars and educational classes throughout the year. We will assign an event to your company and feature you as our title sponsor to continually keep your company at maximum exposure.
